

# Before you begin.

Now we don't want you to get started on this and realise you can't complete it because you're missing key information. So here's a list of information that we recommend you have to hand to make the process smoother.

- ✓ **Bank statement** - We recommend you have at least 3 months of statements to hand for accuracy.

Depending on the information on your bank statements, you might already have the following information to hand. But we still recommend having:

- ✓ **Council tax bill**
- ✓ **Utility bill**
- ✓ **Mobile phone bill**
- ✓ **Internet bill**
- ✓ **Car finance information**
- ✓ **Mortgage/rent agreements**

If there are any items you're not quite sure of, fill in an amount as close to what you believe it is. Remember the more accurate you are the better.
